**Jakarta, 22 October 2020** – PT Bank UOB Indonesia (“UOB Indonesia”) has invited more than 4,000 of its colleagues and their family members to participate in the UOB Global Heartbeat Virtual Run/Walk programme, the UOB Group’s annual flagship volunteerism and fundraising event across its global network.

Given social restrictions to manage COVID-19, UOB has transformed its annual UOB Heartbeat Run/Walk into a virtual event and aims to unite its 27,000 strong workforce around the world, including those in Indonesia, in raising money for vulnerable members of the community. UOB Indonesia is targeting to contribute 20,000 kilometres to the global rally. UOB Indonesia is also collaborating with Halodoc to source and to donate 20,000 protective masks to Indonesia’s disadvantaged families. Halodoc is the leading digital health service provider in Indonesia and an official partner of the Indonesia’s Ministry of Health in combating COVID-19.

Mr Hendra Gunawan, President Director, UOB Indonesia, said, "The current pandemic continues to affect the community and we wish to keep the good going. Even as we take part in the UOB Global Heartbeat Virtual Run/Walk from different areas this year, our colleagues and their families are united in doing their part for the society. I am heartened by the enthusiasm of all colleagues who are going the extra mile to help our local community. Our collaboration with Halodoc also supports the government’s initiative and strengthens our common aim to help the less fortunate combat the spread of COVID-19."
